	and the time required for the completion of the project. For these reason only the following work was to be completed by the Berlin Pauunion:	5,
	a. Five temporary quarters for A' b. The foundations of five temporary quarters for officers c. The fuel dump	
	d. The northern taxiway with hardstands and some hardstands along the southern taxiway	
	All the other work must be turned over to the Cottbus Bauunion, but the reason for this measure must not be revealed to the construction workers.  The costs for the runway and taxiway	
• ·	at Welzew airfield were raised from an estimated 4.5 million eastmarks to a total of 9 million eastmarks because additional buildings will be constructed there. Therefore, it is believed that the Berlin Bauunion will concentrate on Welzer airfield.
